

OAK MULE CHEST

 Proudly handmade at our workshops in Suffolk, England

An Oak “mule” chest of Yorkshire origins, with features influenced by Thomas Chippendale (who lived in Otley). The term “mule” chest is used to describe a chest which is neither one thing or another ie. a mule is a cross between a horse and a donkey. Therefore, a “mule” chest is a cross between a coffer and a chest of drawers. This design features fine fluted quarter-turned columns and ogee-shaped bracket feet, together with arched, fielded panelled doors and seven practical drawers.
