

MAHOGANY & AMBOYNA EBONISED CENTRE TABLE

Proudly handmade at our workshops in Suffolk, England

Our show-stopping circular table is made using sustainably sourced 'approved' plantation mahogany. The table which is 6ft in diameter is crossbanded in a characterful amboyna with a central motif also in amboyna. The decorative edges (dragoon moulding) and feet are made from painstakingly hand-carved limewood, which has then been ebonised. The hand carving alone takes nearly 120 hours with a further 80 hours dedicated to buffing and polishing the table to its exquisitely fine finish. Every element of this table is handmade by our skilled craftsmen at our Suffolk workshops.
